

default\_handler

debug\_assert::set\_level< 1 >

contract\_handler

```
graph BT; CH[contract_handler] --> DH[default_handler]; CH --> DA[debug_assert::set_level< 1 >];
```

The diagram illustrates a relationship between three components. At the bottom is a box labeled 'contract\_handler'. Two arrows originate from the top of this box: one points to the 'default\_handler' box on the left, and the other points to the 'debug\_assert::set\_level< 1 >' box on the right.
